*(Passion & Emotion)*

*What's better than having an Italian breed specialist judge your Lagotto National Specialty? How about two Italians? The LRCA is delighted to announce that Friday, February 23rd will see lifelong Lagotto breeder Andrea Langianni judge Puppy and Veteran Sweepstakes followed by respected breed and group specialist Alessandro Zeppi judging the Regular Classes.*

*We'll also be experimenting with a two day format with education, our Annual General Meeting, and our Welcome Reception and Auction as well as some other exciting additions on Thursday followed by the National and the Judges' Dinner on Friday, and the weekend will see two days of LRCA-supported entries at the Silver Bay Kennel Club shows. Our host hotel is the Holiday Inn Express - Soldana/Del Mar just a half mile from the show grounds and we'll be posting a direct reservations link shortly. We'll also be posting details about our Welcome Reception and Auction on the patio at the En Fuego Cantina just down the street as well as the Judges Dinner itself and lots of other exciting news.*

*Be sure to check  
back here often!*
