**Carolina Convention Center, Greenville, SC in conjunction with Carolina Foothills Cluster**

2024 will be an exciting year, with 4 days of shows. Lots of planned activities and incredible seminars. You will have a ring for just Lagotti, with ringside crating/grooming. Plenty of space around the ring for seating. Some of the potential activities: Junior Handling Seminar, Conditioning Seminar, Scent Work Seminar, Rally Seminar AND MORE. We might even have time to do a Toy making event. An official, hands-on, judges education seminar with ringside breed mentoring will be available.

*Come Join Us* at the beautiful Liberty Bridge over the Reedy River Falls for an exciting National. Greenville is known for its restaurants and dog friendly atmosphere!

Host Hotel to be determined. All Breed Judges to be announced early in 2024 for the other shows.
